

Now! Complimentary **identity protection...** because your identity is an asset!

There are
over 25 different types
of identity theft that can damage
your good name, credit and livelihood.

There are no legitimate guarantees to stopping all types of identity theft. That's why it's critical to prevent, prepare and respond with diligence. Resolution services remain a timely and valued resource, no matter how or what type of identity theft occurs.

I can obtain
identity theft
resolution services
at no cost.

No enrollment Required

Identity theft occurs every 3.2 seconds...

It's a smart choice to increase your protection.

It's affordable too! (pennies/day) Ask a banker for details...

Resolution services are provided by Identity Fraud, Inc. for any type of identity theft/fraud that occurs following our program activation. The complimentary benefit and services shall remain available to you as long as the program remains in force and you maintain your qualified status with us. We and/or Identity Fraud, Inc. may alter, cancel or otherwise terminate the program at any time. For questions, please ask your banker for more details. Pursuant to the FACT Act and to help prevent identity theft, you are entitled to one free credit report each year from the three main credit reporting agencies. For more details, visit www.annualcreditreport.com or call 1-877-322-8228.
